KING & Bear

The Laterra Links Lifestyle enables walk out your door and walk on to the sixth, seventh or eighth holes of the King & Bear golf course, the only course in the world designed by Arnold Palmer & Jack Nicholas.

The only collaboration between golf's greatest legends, Arnold Palmer and Jack Nicklaus the King & Bear is set among pristine lakes, beautiful Loblolly pines. Each hole contains characteristics of both players to create a unique golf course.

When these two Hall of famers put aside their legendary rivalry, they created a beautiful, challenging, and truly remarkable golf course. Measuring 7,279 yards from the stone tees and 5,119 yards from the green tees, this course is sure to challenge the skilled golfer while providing player-friendly conditions for the novice. This is a

"driver's" course, which should come as no surprise as both Palmer and Nicklaus wielded awesome power games in their primes. You'll also experience the wide fairways of Nicklaus and the fast greens of Palmer.

Membership enables unlimited play and many member benefits, competitions and unlimited golf access on the Slammer & Squire resort course. Club membership also offers professional individual and group instruction for all levels.

The Slammer & Squire course is located in Hall of Fame complex a short drive from Laterra Links. This 18-hole championship resort course was designed by Bobby Weed with design consultants Sam "The Slammer" Snead and Gene "The Squire" Sarazen.

Slammer & Squire course officially opened to the public in May 1998 and features two distinct nines with generous fairways, contoured greens, and plenty of water hazards along with impressive views of the

World Golf Hall of Fame. The course was the host site of the Liberty Mutual Legends of Golf, a Senior PGA tour event and currently hosts an array of other golf events.

The PGA Tour Academy located on the entrance road to the Hall of Fame and offers professional individual and group instruction for all levels. Website: <http://www.worldgolfvillage.com/pgatourgolfacademy.aspx>
